

Getting Started with iAttended

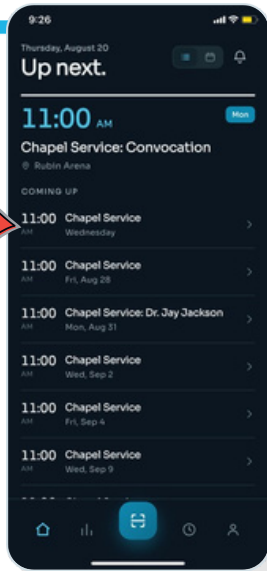

Download iAttended and sign in or create an account using your PBA email address. Be sure to use the long-form email format: first_last@pba.edu.

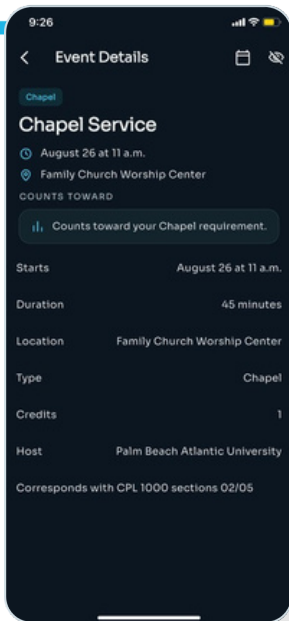

Complete your registration or sign in:

- If you are creating a new account, look for a confirmation email sent to your PBA email address and follow the instructions to complete your registration.
- If you already have an account, a 6-digit verification code will be sent to your PBA email address. Enter the code in the app to sign in.

Finding Chapel Opportunities

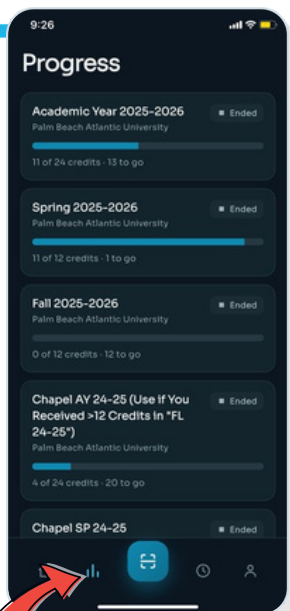

Once you are logged in, you will be taken to the home page. Here, you will find all upcoming Chapel opportunities.

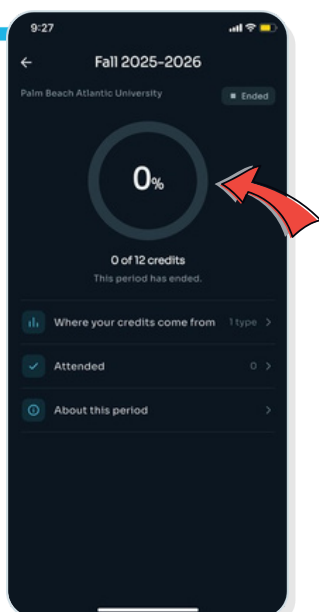

Select a Chapel opportunity to view additional details, including the location where Chapel will take place.

Tracking Your Chapel Progress

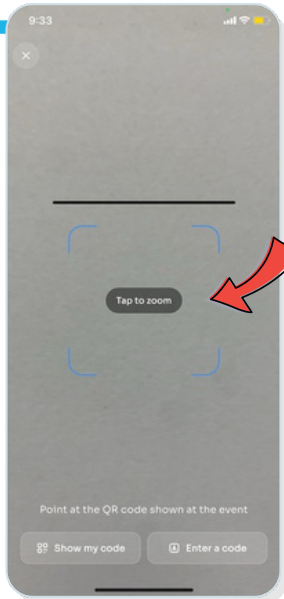

Select the three-line menu icon in the bottom-left corner of the screen. This is where you can track your Chapel progress.

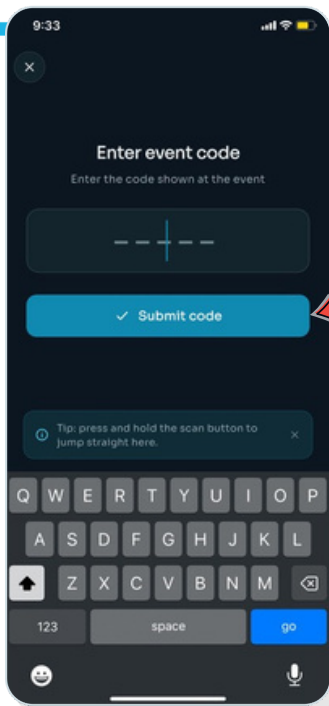

Select any of the progress bars to view more detailed information about your Chapel attendance and progress.

Tracking Your Attendance

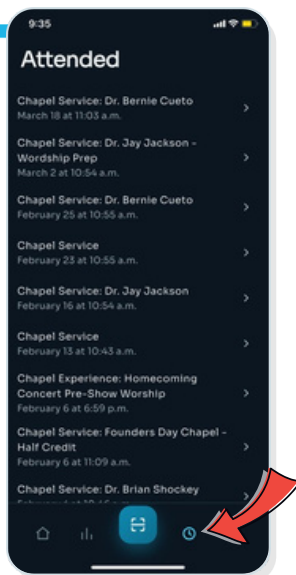

Select the square scanner icon (the blue icon in the bottom center of the screen) to scan QR codes. This feature may be used for First-Year Experience (FYE) and other special events.

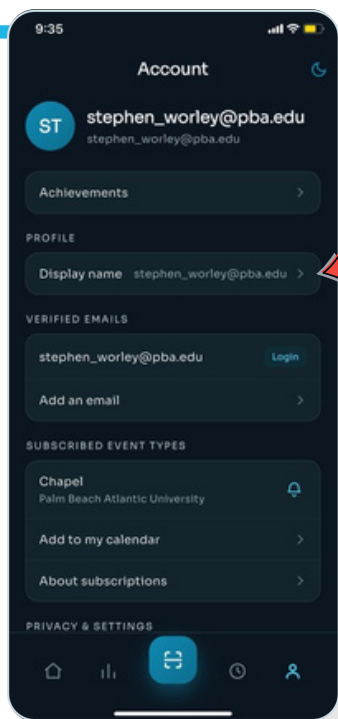

For Chapel attendance, select "Enter Event Code." Then, enter the event code displayed at the beginning of Chapel. This is how you will receive credit for attending Chapel.

Make sure Location Services are enabled for the iAttended app in your phone's Settings.

Viewing Previous Attendance and Settings

Select the clock icon to view your previous Chapel opportunities and events you have attended.

Select the person icon in the bottom-right corner of the screen to access your account. From this section, you can view and manage additional account information, including:

- The email address associated with your account
- Your account settings
- The option to log out of your account when needed
