

Protect your school payments

Palm Beach Atlantic University has proudly partnered with GradGuard™ to offer Tuition Insurance from Allianz Global Assistance.

The Tuition Protection plan is like an extension of our refund policy. It can reimburse up to 100% of your nonrefundable school costs after a midsemester withdrawal for a covered illness, injury, psychological condition, and more—protecting your investment in higher education.

To get a quote or learn more about the Tuition Protection Plan, call 1.866.724.4384 or go to: gradguard.com/tuition/pba

Tuition insurance plans also come with Student Life Assistance: a 24-hour hotline to help students stay safe on and off campus. At Palm Beach Atlantic University, we want our families to have peace of mind during their entire time with us.

Insurance must be purchased prior to first day of classes. Coverage extends through the end of that semester.

Tuition insurance is completely optional. The agreement you enter into is with GradGuard, not with Palm Beach Atlantic University.
